

SUPPORTING THE  
CONSERVATION  
OF KORUP  
NATIONAL PARK  
AND PROTECTING  
OUR  
ENVIRONMENT IS  
OUR GATEWAY TO  
ANY MEANINGFUL  
DEVELOPMENT!

**K. R. C. S.** , MUNDEMBA .

**A non-profit group of local people committed to ensuring the integrity of Korup National Park and surrounding environment as their natural heritage.**

### *Objectives*

- ✓ Involve locals in the provision of conservation/development research assistantship and training geared towards increasing community benefits and reducing conflicts around Korup Park.
- ✓ Involving local people in Combating climate change through conservation advocacy and environmental education in and around the Korup National Park (KNP) tropical rainforest, geared towards a change of attitude in forest resource use/stewardship.
- ✓ The promotion of Conservation/development initiatives geared towards livelihood improvement and ecosystem preservation.

SLOGAN:

*...Involving Local People for a Greener Future.*
